Published: 24 March 2014

After the publication of this article, the publisher was alerted to an apparent panel duplication and frameshift in Fig. 4B migration (ii) SKBR3-LR NC mimic and 4 C invasion (ii) SKBR3-LR NC mimic. Because the issue was detected ten years after publication, the original images

for the study are no longer available. The panel has not been replaced. Readers are urged to take caution when interpreting the content and conclusions of this article.
